Chapter 1 by Elden

Hi, I'm Jack. And i'm an alien. Well, the thing is, I don't think "alien" is really more of a title for me. More like "The Green Amazing Gurglon that's out of This World!!!" And yes, i'm a Gurglon. We Gurglons are from the 42nd dimension. We have 3 eyes, a nose, a mouth, hair, you name it. We look just like a human. Our kind has visited the first dimension for millions of years. Some even got famous! You know Channing Tautam, he's our kind. We put a love attractor on him to find out more on human romance.

You know Bach? He was one of us too. He was working in the human entertainment agency. We disabled his hearing in case he heard any discouragement from any human. We Gurglons are very civilized.

Chapter 2 by Elias M

Oh crap, did I say Bach I meant Beethoven, I am sure glad my music teacher isn't here. Anyway today is the day I get to visit dimension one. My friend drops me off at the interdimension port. I start walking to gate glrong, when I hear the megaphone say portal glrong leaving now to dimension 32(it is a connect trip) . I look at my watch, and my ticket, it says I still have 30 smecks or one hour in human terms. but then I look at the clock saving I only have 2 smecks left. I

almost kick myself I forgot to set my watch. I run as fast as I can to my gate and just as the portal is about to close.

And did I say 3 eyes? Wow, my health teacher is going to kill me too. It's 2 eyes. Anyways, I barely made it and jumped into the portal. Today was my day. As I said, my friend, Kiki dropped me off at the port, because today is the day I come of age! For humans, it means it's my birthday. I finally turned 13 glarbs old! (human years) This is how it works. A Gurglon, when they turn 13 glarbs old, they can visit the Human Dimension. The Gurglon appears as a man wearing a trench-coat, and gets to visit and live life for a agwer (day) as a human.

Chapter 4 by Julia

Anyway, when I jumped into the portal, the whole world around me started to spin. It took about 5 smecks for the world to stop spinning, but when it stopped I was so dizzy. My kizzler (lunch) of chicken from our farm might have even came up. When my vision was done being blurry, I looked around. WOW! It was beautiful! I was in the trunk of a HUGE willow tree, where all Gurglons spit out of the portal. Even from out the tiny hole in the trunk I could see the beautiful ocean and a turtle on the shore. Then I heard my name "Jack!"
